-
33841. I think going over the questions and being able to ask questions was the most valuable part.
-
30672. Zhou explained the concepts really well and the section is a really great way for reviewing and practicing the materials.
-
33726. I absolutely loved my Discussion section. It was by far the most valuable part of the class because I felt like I really could understand all of the material through it. I wish that I could have had more discussion sections rather than lecture.
-
8606. The sample problems were decent examples of what we would see on exams, so they were a good part of discussion
